

Grand View Elementary School Supply List 2015-2016

Grand View Families,

We appreciate you supporting our schools this year, with your votes (in passing our supplemental levies) and your time. We've worked to reduce the costs and time associated with school shopping this year, by purchasing consumable items at a reduced cost through volume purchasing – in part, with monies obtained through the supplemental levy. Our goal this year and next, is to keep our requests to \$20 or less, for your student's back-to-school shopping.

Thank you for supporting our District, and we look forward to seeing you in the fall.
