6. Summary of Current Events

Superintendent – Mrs. Nora Gutierrez

- I would like to thank Mr. Oros for hosting a picnic in the park for the Facilities staff on the Friday of Fall Break. Some of the awards he presented to his staff members were hand-made with reclaimed wood from the old Tolleson High School bleachers. Thank you Mr. Moreno for attending!
- I attended the ASA Fall Superintendency/Higher Ed Conference. This conference provided an opportunity for me to interact with Superintendents from across Arizona and share ideas and concerns affecting public education, such as ESSA, A-F accountability labels, funding and teacher shortages.

- Tomorrow, the Pendergast School District will be having its 11th Annual High School Expo from 5-7 p.m. The event will be located at the Pendergast Community Center located at 10550 W. Mariposa St., Phoenix, AZ. 85037. Many of our TUHSD Schools are expected to be in attendance to share information about our schools and programs, and recruit in-coming freshmen.
- Also tomorrow, La Joya Community High School will be having their annual Trunk or Treat event. All are welcome. School clubs and teams will set up booths in their “trunks” in the student parking lot from 4 – 6 p.m. The entire community is invited to bring their children out to Trick or Treat.
- We are now at 808+ “Likes” on our Facebook page. We recently reached the milestone of hitting our 800th “Like” about a week and a half ago.
- Inspire Arizona is a prestigious year-long leadership development program. It is a non-profit, non-partisan organization dedicated to building civic engagement among high school students and operates as a program of Project High Hopes. We have had four students from U-High (Marco Huerta, Sadiya Khan, Chantalle Lopez, and Maria Herrera) who have completed the rigorous application and interview process and have been accepted as Inspire Leaders. Each of them have already completed over twenty hours of training. As part of their work with Inspire Arizona, the student leaders at the school will be working to try and register 85% of their senior class to vote.
- The Every Student Succeeds Act (ESSA) Forum was held last night at Sierra Linda High School from 6 – 8 p.m. It was presented by the Arizona Latino School Board Association. One of the presenters was Dr. Margaret R. (Peggy) McLeod. Dr. McLeod currently serves as Deputy Vice President of Education and Workforce Development at the National Council of La Raza (NCLR) in Washington, DC.
- This Thursday, October 27th, Tolleson Union High School District will be hosting its 4th Annual Career and College Fair on the Tolleson Union High School campus from 6 – 8 p.m. This will be an opportunity for seniors to visit with college, military, business and industry professionals. We expect over 500 students, families and community members to be in attendance. A copy of the flyer is in your Board folder.
- Last week, TUHSD sent out a lockdown protocol letter to all parents in the district so that they are aware of our protocols when our schools go into lockdown, including the fact that our front office staff cannot answer phones during a lockdown and also letting parents know that they need to listen to the entirety of the message to ensure that they receive all of the information that has been sent out via the School Messenger automated message. A copy of the letter is in your Board folder.
- Last week we met with the Facilitator to begin planning for the Meet and Confer process. It was agreed that we will meet weekly beginning November 10th until February 2nd, with no meetings during Thanksgiving and Winter breaks. We expect to have the employee groups recognized at the November 8th Board meeting, and present the final Committee Report to you at the February 14th Board meeting.

2. Principal District-Wide Update

Ms. Susan Thompson, University High School Principal, provided the Principal's update for each of the TUHSD schools.

• Academic Growth

- All school counselors have been involved in the state mandated ECAP effort – ECAPS provide our students with ongoing support to update their education career action plans. This graduation requirement facilitates the college reading goals for the state so students have support systems in place as they plan for their post-secondary life. Each school uses this process as a way to develop rigor for their students' career planning. For example: Sierra Linda recently looked at their curriculum and how workshops from ASU and GCU could support the ECAP process, and expanding ECAPS into their Advisory lessons.
- Thirty-six TUHS teachers are already involved with Title I tutoring this year which is a huge leap from last year, while UHigh's freshmen retention is on the rise due to more tutoring and advisory interventions.

• PSAT Updates

- We have all sophomores taking the PSAT and over 700 juniors volunteering to pay and take the exam in order to compete in the National Merit Scholarship program, in addition to receiving informative feedback in preparation for taking their future SAT tests. Every student who attempts the PSAT builds confidence in college entrance exams.

- Our schools have been generating new tutoring opportunities for our juniors such as:
 - CCHS ran tutoring sessions for juniors who scored well as sophomores on the PSAT to prepare them.
 - TUHS and UH juniors took a practice PSAT exam in preparation and other sites provided similar opportunities.
 - LJCHS's Principal Mrs. Haskins personally met all the sophomores before Fall Break in their English classes to set a positive tone for taking the test.
- We Look forward to an increase in our National Merit Scholars.
- As Mrs. Gutierrez mentioned, our district has four National Merit Commended Scholars this year. National Merit status opens a number of doors for scholarships and competitive college entrance acceptance.
- In addition to PSAT –Principals are meeting and sharing various strategies they are using on their campuses and how to use the data to make future leadership decisions. For Example:
 - **ACT Prep**

 - The Lobos also have had their first band and choir concerts this year.
- **It is also Play Season**
 - Copper Canyon theatre club had their fall production "James and the Giant Peach", Wednesday-Friday September 28th-30th.
