

Suggested Ideas for Allergy Safe Snacks*

*This list pertains specifically to peanuts and tree nuts. Please be aware of other allergens including milk, eggs, wheat, soy, food dyes and spices that may be present.

St. Rita School is an allergy safe school. Snacks coming in for holidays must NOT contain any nuts or peanut/nut butters, or any warnings about being made in or on shared facilities with those ingredients, or any warning that they may contain those ingredients. Following is a list of suggested ideas for classroom snacks for holidays and/or school events. Please remember to **ALWAYS** read the manufacturing label before purchasing. Manufacturing processes change daily and items on this list may become unsafe. If the label has an allergen statement that reads similar to any of the following, it is **NOT** a safe food.

"...this item contains peanuts..."

"...this item may contain peanuts or tree nuts..."

"...this item was processed in a facility that manufactures peanuts and tree nuts..."

"...this item may contain cross contamination of an allergen such as peanuts and/or tree nuts..."
