St. Rita School Mission

- St. Rita School is a Catholic parish elementary school that provides the opportunity for students to be responsible, Christian citizens who are able to make sound, moral choices and to think critically to meet the challenges of today's rapidly changing society and those they will face in the future.

St. Rita School Philosophy

*St. Rita School is a **community** of children, parents, teachers, and religious of the Church. The primary goal of the school is to **nurture** Catholic, Christian moral principles by providing a **warm, caring, and positive atmosphere**. Furthermore, our goal is to teach the young **to grow spiritually, intellectually, socially and physically**, and to see that each child's gifts and talents are recognized and encouraged.*

Portrait of a St. Rita Graduate

Trust in God • Show Concern for Others • Respectful

St. Rita graduates are Christ-centered lifelong learners.

They ask “Why?” and “How?” and “What if ?”

They show respect for authority, achieve with humility, and take responsibility for their actions.

They know the value of community, the necessity of service, and the importance of living with integrity.

They are prepared to adapt to a constantly changing world, but they are aware of the constants that never change: trust in God, concern for others, and doing what’s right because it’s the right thing to do.

Do What is Right • Seekers • Prepared

Learners • Humble • Responsible

Understanding • Act with Integrity

Strategic Plan

Mission & Evangelization

- **Catholic Identity**

- All constituents know, understand, and advance the mission of St. Rita School.
- Members of the St. Rita School community will live the Catholic faith and foster a commitment to service by perpetuating the charism of the religious presence while building a stronger relationship between school and parish with witness to the larger community.

Leadership & Governance

- **Enrollment**

- St. Rita School will design and implement a comprehensive enrollment management plan which optimizes enrollment by engaging current and future families through personal attention and effective communication.

- **Ownership, Governance, & Administration**

- St. Rita School, through its administration and school board, will collaborate with the pastor and define roles, responsibilities, and expectations to plan for the future while creating a sense of ownership through transparency and open, clear communication with all constituencies.

Excellence in Teaching & Learning

- **Staffing**

- St. Rita School will attract, recruit, and retain an enthusiastic faculty and staff that is dedicated to its Catholic mission and values, is professionally trained, exhibits expertise and inspires children to learn—accomplishing this through systematic evaluation, professional development and recognition of achievements.

- **Curriculum**

- St. Rita School will continue to provide a strong core curriculum based on creative and critical thinking, with sensitivity to different learning styles, and stay vigilant in the assessment of that curriculum, to give its students a firm foundation to reach their fullest potential.

- **Technology**

- St. Rita School will formulate and implement a technology plan that provides for infrastructure, maintenance, necessary updates and teacher and staff training, and promotes effective use of technology for communication and for integration into the curriculum.

Operational Vitality

- **Finance**

- St. Rita School will develop, implement, and annually update a long range financial plan which optimizes educational opportunities for students while ensuring transparency and accountability, keeping tuition comparable to other Catholic schools, and maximizing third party sources of revenue.

- **Facilities**

- St. Rita School will develop and implement a long-term facilities master plan to ensure the safety of children, faculty, and visitors while providing for appropriate maintenance and capital improvements to optimize educational opportunities.

- **Advancement—Development and Public Relations**

- St. Rita School will create and implement a comprehensive, differentiated and well-coordinated development plan that includes effective communication and marketing programs which will enhance image optimize enrollment, and attract ever-increasing human and financial resources.

New for 2016-2017

- Summer work skills packet for all students
- 8 week Summer Camp program
- Implement a new Math Program-Envisions for K-5 and Pearson Middle School Math
- Open a separate 3 year old Pre-K program with various options for half-day and all-day programs
- Relocate Chrome computers to classrooms
- Enhance and update technology infrastructure
- Celebrate 60th anniversary of the school
- Begin NEASC re-accreditation process
- Expand extra-curricular offerings possible ideas-Fife & Drum Corps, Robotics
- Earlier school start time to meet minimal instructions hours
