TEST AHEAD!

No need to panic. Instead, **predict**, **prepare**, **pounce** on that test.

PREDICT

- Keep up with your assignments.
- Practice early if you know a test is coming.
- Ask for help if you are confused.

PREPARE

- Look over notes.
- Go to bed on time. Eat a good breakfast.
- Don't cram. It will only confuse you.

POUNCE

- Skim the whole test.
- Answer the questions you know right away.
- Go back to the other questions.
- DO NOT turn in the test early. Spend time checking your answers.
