Fundraising Update: \$1,422,334!!!
(\$711,588 since December 2011)

Reflecting on the reasons to continue the work of the Central Catholic Growing the Faith Capital Campaign become clearer, more focused each year at this time. It's in mid-July that the happy sounds of the new 6th graders ring through the halls at GICC. The shy, apprehensive faces of the new sixth grade class quickly turn into the excited, animated and proud faces of the GICC Class of 2019 as they participate in the Sixth Grade Summer Experience.

Middle School teachers take our young charges on a four day trip from July 9th through July 12th through the ins and outs of Central Catholic. They learn where rooms and offices are, as well as the library, lunchroom and restrooms. They practice opening their lockers, learn the school song, play games and create works of art all while developing the friendships at Central Catholic that will last their lifetimes.

Its with the GICC Summer Experience that I ask you to consider the fact that we only have one Catholic school in a city the size of Grand Island, and how important this school is to the community. A Catholic school is critical to those who value Catholic education and values, and vital to the organizations that are trying to recruit smart, young professionals to our city.

Central Catholic helps to develop great kids, many of whom will pursue college degrees at universities around the country. Many of our students earned academic or athletic scholarships and have high ACT scores. They volunteer in their church and community.

And at what cost does this come? Tuition, parish giving, Endowment and fundraising all contribute to educate our Crusaders. The Growing the Faith Capital Campaign will pay off the much needed athletic center and fine art classrooms built in 2007. And when the debt is paid our focus can turn to new, exciting endeavors for our young ones.

We are all Crusaders and we are a family. We only thrive when we pull together and support each other. Right now we need your help. If you haven't participated in the Campaign, Grow the Faith with us.

Central Catholic Class of 2019

Consider Central Catholic In Your Will

Please consider including Central Catholic in your will or estate plan. Remember, you don't need to re-write your entire will to make a provision for a bequest to GICC.

Simply prepare a Codicil (a written change or addition), have it witnessed and attached to your will.

Another simple method is to add Central Catholic as a beneficiary on a life insurance policy or your IRA. Your planned gift will enable GICC to continue its long tradition of serving our faith community with a quality Catholic education.

Crusader Band of Angels Appeal

The Central Catholic Foundation has once again pledged \$100,000 to the school for the 2012-2013 year.

The Foundation looks to the Band of Angels to raise these funds.

Gifts to the Angel Appeal may be made at any time during the year by check, through an automatic bank draft, or through our secure online website donation tab at;
